# SAINT-SULPICE CÉRAMIQUE 2021

### THE ESSENTIAL EVENT OF CERAMIC CREATION IN PARIS

From July 1 to 4, 2020 on Place Saint-Sulpice will be held the 24th edition of SAINT-SULPICE CÉRAMIQUE organized by the ParisPotier association. From traditional to contemporary, from utility to sculptural, more than a hundred French and foreign ceramists present all the richness of today's ceramic creation. With more than 17,000 visitors in 2019, the success of SAINT-SULPICE CÉRAMIQUE lies in these words: creation, sharing, ethics.

### FOCUS 2021 : "A WORLD ON A PLATE"

The ParisPotier organising team invites the 110 exhibiting ceramists to present their views of the world, whether real or dreamlike, at the heart of a common object: the plate.

Some pieces will perhaps move away from their utilitarian function under the free, wise or crazy, but always poetic, creative interpretations of the ceramic artists.

These World(s) in a plate will invade the Place Saint-Sulpice in a common scenography presented along the course of the event.
