SAINT-SULPICE CÉRAMIQUE 2022

THE ESSENTIAL EVENT OF CERAMIC CREATION IN PARIS

From 30 June to 3 July 2022 on Place Saint-Sulpice will be held the 25th edition of SAINT-SULPICE CÉRAMIQUE organized by the ParisPotier association. From traditional to contemporary, from utilitarian to sculptural, more than a hundred French and foreign ceramists present all the richness of today's ceramic creation.

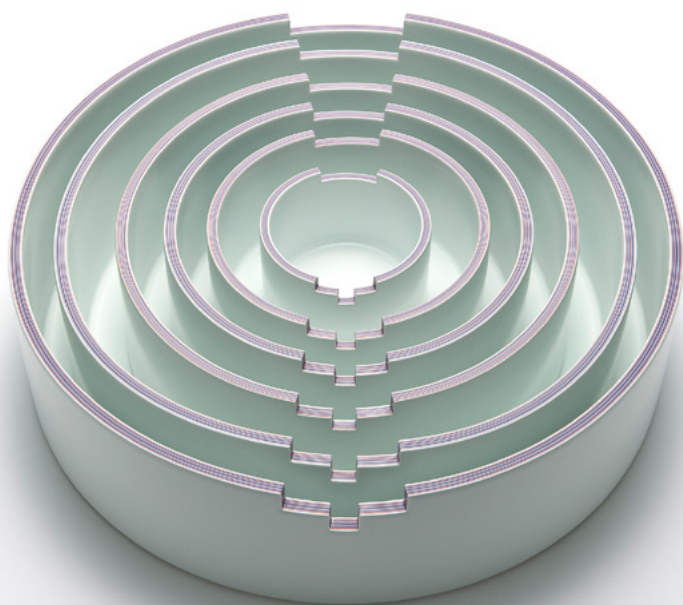

With more than 17,000 visitors in 2021, the success of SAINT-SULPICE CÉRAMIQUE lies in these words: creation, sharing, ethics.

THEMATIC 2022: CLAY PORTRAITS

For this 25th edition, the organising team of Saint-Sulpice Céramique wishes to place the human being at the centre of the event, so we have invited the ceramists to work on the self-portrait.

The ceramists model the clay, this ancestral material which also shapes them... Assertive personality, family resemblance, marked features, joyful caricatures, intense looks, discreet characters, will be the figurative or abstract self-portraits, in 2 or 3D, made of clay and colours.

FREE CERAMIC WORKSHOPS

Hands in the clay! Knead, stretch, build... 4 workshops per day, led by professional ceramists will be offered for adults and children to learn the practice of clay (schedules on our website).
